Route on Ashdown Forest

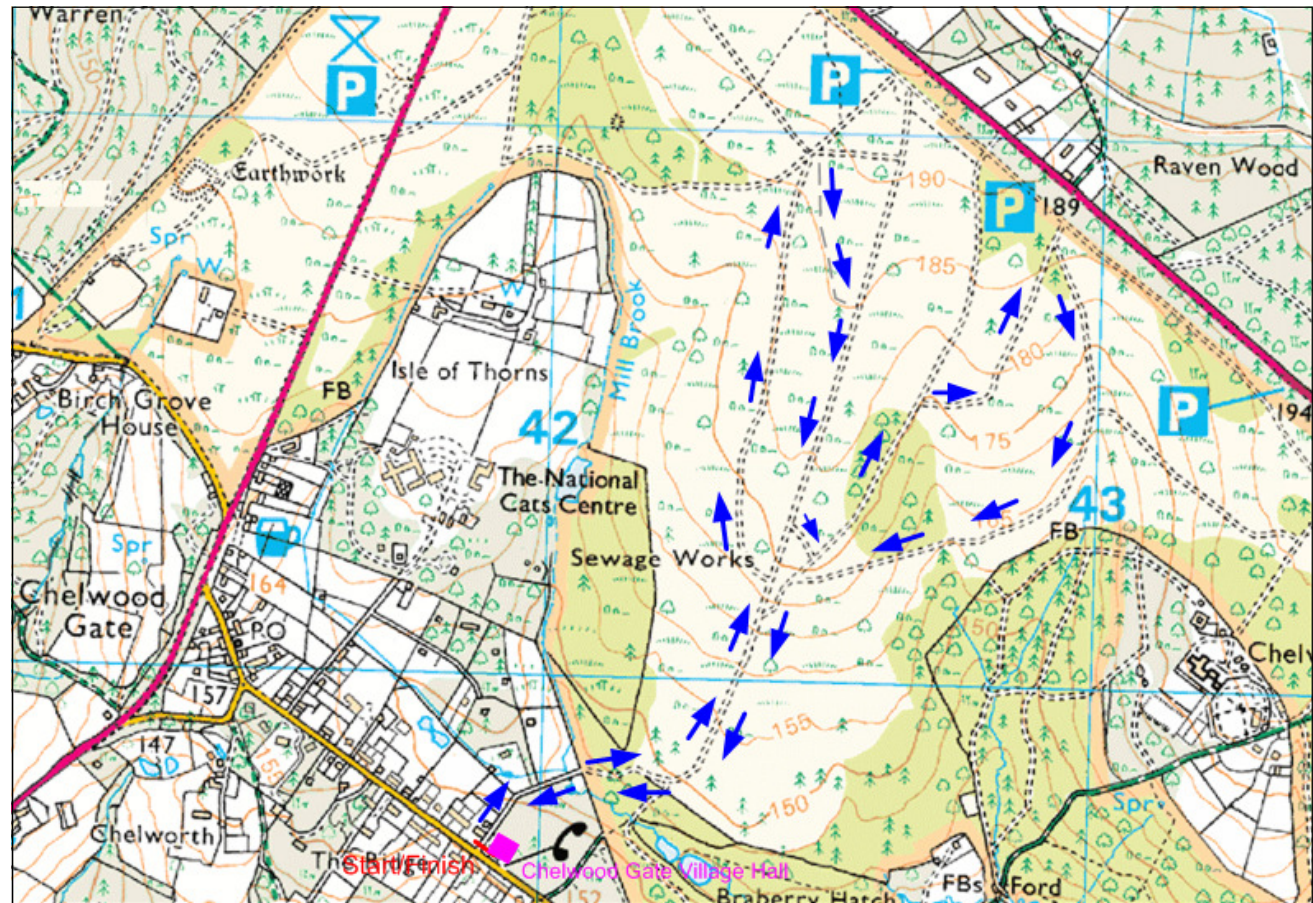

The route is indicated on the map to the right with blue arrows. The run is on forest tracks and will of course be well signed and marshalled.

The route runs near, or adjacent to, two car parks on the A22. In the north-east corner is 'Trees', and north-west of that is 'Long'. The third car park shown on the A22, to the east of the map, is 'Vachery'.

There will be refreshments on sale at the village hall, as well as a complimentary massage for runners with a voluntary donation to St Peters and St James' Hospice.
