

Ashdown 2017 Fun Run - Map of Route

Sunday 21st May 2017

The route is indicated on the map to the right with blue arrows. The run is on forest tracks and will of course be well signed and marshalled.

Chelwood Gate village hall is marked in purple on the map, post code for satnav is RH17 7LF - the village hall is easy to find on the road between Chelwood Gate and Nutley. Please park on the road outside as there is limited parking at the village hall itself.

The run starts behind the Village Hall, and ends on Jubilee Green next to it - shown in red on the map. Marshalls will escort runners to the start.

The route runs near, or adjacent to, two car parks on the A22. In the north-east corner is 'Trees', and north-west of that is 'Long'. The third car park shown on the A22, to the east of the map, is 'Vachery'.

There will be refreshments on sale at the village hall at the prizegiving after the event.
